

Great News . . . You Can Now Schedule a Class that Fits You!

New On Demand Scheduling!

Available with your enrollment group of four.

When you and three of your 'friends or family' sign up for a class, we'll chart out the class to whenever best fits your schedules. We provide the boat, instructor, lunch, and everything else. Just get those friends together and we're ready to teach you 'how to sail'.

The best thing is, we give you a discount of \$150 for each of the additional three students that take the class with you. That is, \$895 for the 1st student and \$745 for each additional student!

*To Enroll:

- A deposit of \$200 (per student, per course) is required to receive confirmation & materials.
- Balance is due 30 days prior to course date.
- To sign up, call the location you have chosen, or go to: www.sailing-instruction.com

Group Reservations:
**\$895 for first
'Captain's'
Certification,**
**\$745 for each
additional
enrollment.**

Learn to Sail

Over 12,000 Graduates!

Choose from

- 3-Day Sailing Charter Certification Course
- 4-Day Advanced Offshore Course

3-day Course

Includes:

- All home study materials
- 2 hour classroom session
- 22 hours on-the-water training aboard a 30' yacht

Since 1980, our goal has been to teach students the skills necessary to handle a 30' cruising sailboat.

We offer a safe, simple and proven approach that easily fits the busy lifestyle.

With an emphasis on practical training, you will learn all the essentials of sailing quickly and more thoroughly than you thought possible. You will be at the helm on your first day of class, and in command of the boat through all of the fundamental maneuvers throughout the three days.

In addition to practical training, you will enjoy the convenience of home-study materials (for easy review before and after the course) as well as a short classroom session the first morning.

Both courses come with a guarantee:

If you are not certified at the end of the course,

as determined by your USCG Instructor, you have the option to retake the course for no additional course fee.

Charter Certification - \$895*

This course affords the opportunity to be in charge, confident in your ability to safely skipper a cruising yacht.

- Boat systems & vessel maintenance
- Knots, line handling and sailing terminology
- Steering under both power and sail
- Maneuvering in tight harbors
- Sails and roller furling systems
- Understanding sail trim
- Reefing and storm sails
- Docking principles and forces
- Anchoring techniques
- Chart interpretation
- Navigation, GPS and time/speed/distance calculations
- Rules of the Road under sail and power
- Weather conditions, storms, fog and waves
- Direct crew in overboard & other emergency exercises

Advanced Offshore Course - \$1195*

This complete 4-day, 3-night Advanced Offshore Course is specifically designed for those who want the experience of a true deepwater passage. Discover the joys of independence from land, and master the skills of the long-distance sailor while living aboard.

Includes: nightwatch keeping, night navigation, night landfalls and many other skills the coastal sailor does not always need.

Successful completion prepares you to 'Skipper' a 38' - 43' yacht in coastal & offshore waters.

Good to know:

- Five-to-one student-to-instructor ratio (maximum)
- Includes all meals from lunch on day one, to lunch on day 4 – please let us know if you must observe any dietary restrictions.
- It is required that students taking this course meet the criteria of having had additional bareboat chartering experience as 'skipper in command.'
